

Miss Gambino's Homework Menu
Second Grade
Week of December 12th

The priority is the finishing the project this week, if finished early, choose items from the menu!

Math Practice:

- **Fact Practice**-Practice your facts anyway that works for you. Use flashcards, websites, worksheets.
- **Log onto your Envisions Math account and complete the assignment assigned to you.**
 - Website: <http://www.pearsonsuccess.net>
 - User Name: Monica (no space, uppercase first letter)
 - Password: monica (all lowercase)
- **Problem Solving**-Use the following website to challenge yourself with problem solving skills.
<http://mathlearnnc.sharpschool.com/cms/One.aspx?portalId=4507283&pageId=5856325>
 - Choose Deck A Cards (Grades 1 & 2) Feel free to try a higher grade level.
 - You must print out the Deck A Student Sheet that goes along with your problem solving card to hand in.
- **Use the following websites to reinforce math skills**, look at the topics place value, odd or even, comparing numbers, least to greatest, and adding two digit numbers.
<http://www.learningbox.com/Base10/BaseTen.html>
<http://www.aaamath.com/cmp11fx2.htm>
<http://www.math-play.com/soccer-math-adding-two-digit-whole-numbers/adding-two-digit-numbers.html>

Science Practice:

- **Science Challenge of the Week!** -Every week there will be a new picture in the classroom. The students need to look at the picture and decide what is wrong with the picture. They can redraw the picture so it is correct or just write why the picture is wrong. Feel free to do some research to figure out your answer!
- **Ride the Food Label Game!**-Use this website to continue practice with reading nutrition labels!
<http://www.nourishinteractive.com/kids/en/label-game/label-game>
- **Explore this fun website to learn about healthy habits!**
